Encore with the STUDfinder™ Installation System

The *patented** STUDfinder system is designed to make it easy for your contractor to install Encore siding accurately and securely. The indicator letters on the precisely spaced nail slots, engineered to align with standards of 16" on-center construction, help locate studs time after time.

STUDfinder for Accuracy

- Nail slots align with 16" and 24" on-center standards for stud spacing
- Indicator letters help:
 - Determine location of studs
 - Ensure nails are positioned correctly
 - Ensure correct number of nails are used

STUDfinder for Security and Performance

- Nailing to studs provides a strong and secure connection
- Protects against blow-offs from under-nailing
- Protects against buckling from over-nailing
- Helps avoid nailing into hazardous items between studs like plumbing, wiring and mechanical systems

STUDfinder, because beauty and performance start with a quality installation

* The STUDfinder Installation System is covered by U.S. Patents 6,625,939, 6,679,011 and 6,715,240; other Pat. Pend.
